

# Hospital Sale Market Update:

## 2023 Review & 2024 Outlook

Do not miss this opportunity to hear about current trends in the private and corporate sale market place!

Listen in as our host Tapan Patel hosts a fire side chat with special guests Dr. Chris Rocchio, Lori Smith, and Peter Tanella to discuss the current trends in the hospital sale market.

- Current market trends in both the private and corporate sale markets.
- What to do (and not to do) when preparing your hospital for a potential sale.
- What are some of the pitfalls of closing a deal in the private and corporate sale market?
- Were private sale opportunities (veterinarian to veterinarian) more or less in 2023?
- What are some of the changes in hospital evaluations you foresee in 2024?
- This course is **RACE Approved** and 1 CE credit will be earned at the completion of the webinar.
